We previously have been informed that the subject is a high-ranking official in the [Cuban G-2 organization] in Havana. On (S) 10/8/63, Mrs. Anita Potocki, a CIA analyst who has been working on [intercepted Cuban communications intelligence traffic] advised the Liaison Agent that her Agency has come to the tentative conclusion that [Pineiro] is identical with [Petronio] who has been mentioned in messages made available to the Bureau and CIA. We have noted that messages sent to the unidentified Cuban Agent in Panama referred to as ["Roberto"] have been signed by ["Petronio"] (S)

Mrs. Potocki gave the following explanation which led to CIA's deduction. (S)(u)

Messages emanating from Havana indicated that one of the recipients was probably located in a small town in Colombia near the Venezuelan Border. CIA developed a suspect and instituted coverage. Recently, this individual transmitted a letter to Havana which communication was intercepted by CIA. The person had apparently violated instructions by including some sensitive data in the communication. Havana then [transmitted a radio message] castigating the Cuban Agent in Colombia. An examination of [the radio message] and [the intercepted communication sent by the Agent] has led CIA to believe that ("Petronio") is identical with [Pineiro]. (S)

## ACTION:

The above information is being directed to the Nationalities Intelligence Section.
